HIPAA CONSENT

HIPAA stands for the Health Insurance Portability and Accountability Act. HIPAA was passed by the U.S. Government in 1996 in order to establish privacy and security protections for health information

Information stored on our computers is located in HIPAA protected environment

Most popular email services (ex. Hotmail, Gmail, Yahoo) do not utilize encrypted email

We request that you not email confidential information that contains sensitive and private information, because we cannot ensure that the communication will be kept private.

Our preferred means of receiving documents from you is from our web patient portal which can be found as a tab on my website: <https://www.physicianspecialistsnw.com/>

You can also fax documents to our secure FAX at 800-994-7357, or can mail to our office address at 8950 W. Emerald St. #150, Boise, ID 83704, or bring with you to your appointment. If so, please write on this form your preferred method.
